PROFESSIONAL SUMMARY

Motivated software development graduate looking for an opportunity to start my career. I have a good understanding of web development, particularly backend development and database management, as well as application development and problem-solving. I am eager to learn from experienced professionals, contribute to the team, and build my skills through practical experience.

TECHNICAL SKILLS

Frontend Development : HTML5, CSS3, Bootstrap, JavaScript(ES6+)

Backend development : Python, Django , Flask , API Development & Integration : REST APIs

Database : MySQL

Core Concepts : Object-Oriented Programming(OOP)

Version control & Tools : Git, GitHub, VS Code, Postman

AI Tools : ChatGPT, Claude, Gemini

Soft Skills : Problem solving, Effective Communication, Team Collaboration, Time Management, Adaptability,

PROJECTS

MemoMate

Technologies : Python, Flask, CSS3 , HTML5, JavaScript, MySQL

- Developed a digital diary and note-taking web application using Flask, HTML, CSS, JavaScript, and MySQL. Implemented voice-to-text functionality to make note-taking more accessible for users with typing challenges.
- Implemented features for managing notes and exporting content into PDF and PNG formats.

BeatHarmonic

Technologies : Python, Flask, MySQL, REST API, HTML5, CSS3, JavaScript

- Developed a music streaming web application using Python Flask and REST API integration. Built a responsive user interface for browsing and exploring music.
- Implemented dynamic music playback functionality and backend integration and used MySQL for database management and application data storage.

EDUCATION

Bachelor of Computer Science (CGPA : 7.8)

2022 – 2025

Guru Nanak College of Arts and Science , Chennai

CERTIFICATIONS

- DLK Technologies – Python Internship (Offline, 1 Month)
- [HackerRank](#) – Python (Intermediate)
- [HackerRank](#) – MySQL (Intermediate)
